

Declarations of conformity for packaging materials in accordance with Regulation (EU) 2025/40 (PPWR)

With regard to the requirements of Regulation (EU) 2025/40 on packaging and packaging waste (Packaging and Packaging Waste Regulation – PPWR) we wish to inform you that we obtain and manage the necessary conformity and manufacturer documentation for the packaging materials we use in accordance with the applicable statutory provisions.

Where, under the PPWR or other relevant EU legislation, declarations of conformity, technical documentation or other evidence are to be provided by manufacturers or suppliers, we hold these documents, or they are obtained and kept up to date in accordance with the statutory transition and implementation periods.

We archive the relevant documents in an audit-proof manner and can make them available to our customers to the extent required upon a legitimate request, provided that this does not conflict with any statutory, contractual or fiduciary obligations.

By adhering to these guidelines, we ensure that the legal requirements regarding documentation and traceability throughout the supply chain are met and that we fulfil our obligations to cooperate and provide evidence in accordance with the aforementioned Regulation.
